THE OXFAM AMERICA HUNGER BANQUET®

“Everyone on earth has the same basic needs; it is only our circumstances—where we live and the culture into which we are born—that differ. Some are born into relative prosperity and security, while millions, through no choice of their own, are born into poverty.”

—From the Oxfam America Hunger Banquet® event script

WHAT’S IT ALL ABOUT?

One in seven people goes hungry. But hunger is not about too many people and too little food. Our rich and bountiful planet produces enough food to feed every woman, man, and child on earth. Hunger is about power. Its roots lie in inequalities in access to resources. The results are illiteracy, poverty, war, and the inability of families to grow or buy food.

Few experiences bring to life these inequalities more powerfully than an *Oxfam America Hunger Banquet* event. Unique and memorable, the *Oxfam America Hunger Banquet* can help raise funds and awareness, as organizers and participants alike experience first-hand how our decisions affect others in the world.

HOW DOES IT WORK?

Guests draw tickets at random that assign them to a high-, middle-, or low-income tier, based on the latest statistics about the number of people living in poverty. Each income level receives a corresponding meal—filling and nutritious or sparse and simple. When the meal is done, guests are invited to share their thoughts and take action.

After an *Oxfam America Hunger Banquet* event, few participants leave with full stomachs, but all possess a greater understanding of hunger and poverty—and are motivated to do something to help.
